

**UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA**

M E M O R A N D U M

Honorable Michael J. Seng
United States Magistrate Judge
Yosemite, California

**RE: Kevin Eugene Vasquez
Docket Number: 0972 6:05-00063M-001
REQUEST TO VACATE PETITION
AND RECALL WARRANT**

Your Honor:

On January 7, 2008, a Prob 12C Petition was filed with the Court alleging the offender committed a New Law Violation by violating a Domestic Relations Court Order, failing to submit a complete written report within the first five days of each month, and failing to serve 24 days in custody of the Bureau of Prisons. A no-bail warrant was issued.

Based on the age of the violations, available resources, and the lack of any new criminal activity by the offender, the United States Attorney's Office does not support moving forward with the prosecution of this matter. Therefore, it is respectfully requested that the Prob 12C Petition for Warrant filed on January 7, 2008, be vacated, the warrant be recalled, and supervision in this case be terminated.

Respectfully submitted,

/s/ Jack C. Roberson
